'In Knowledge Lies Strength'

Dear Parent/Carer As-Salaam-Alaikum

"Allah is with those who restrain themselves."

Al Nahl: 128

"The month of Ramadan [is that] in which was revealed the Qur'an, a guidance for the people and clear proofs of guidance and criterion. So whoever sights [the new moon of] the month, let him fast it; and whoever is ill or on a journey - then an equal number of other days. Allah intends for you ease and does not intend for you hardship and [wants] for you to complete the period and to glorify Allah for that [to] which He has guided you; and perhaps you will be grateful." - Surat Al-Baqarah 2:185

Ramadan Mubarak to all our community!

It is hoped that all in our community receive many blessings across this Ramadan period!

This week we sat our NAPLAN examinations and I thank the teachers of Year 3,5 and 7 for all their work in administering this. All our students were very positive and excited about showing how much they have learnt in Literacy and Numeracy.

Prior to Ramadan and NAPLAN testing, I was invited to join our Year 7 class for a meal on Monday this week. It was a wonderful opportunity to talk with our senior year group about school, plans for next year and hopes for the future. I thank Ms Nehmat for arranging this luncheon and working so efficiently with the Year 7 cohort.

COMPLETED CARPET INSTALLATION

I thank FYSHWICK CARPETS for the work they did in replacing carpet in seven of our classroom and office spaces. The end product was excellent and I thank them for their professional service. We are currently working to finish our Year 8 classroom, which will be used in 2019- InShallah!- Pending application to ACT Education Directorate. We plan to involve our current Year 7 students in coming up with the classroom design as well as desks, chairs and the purchase of other resources.

READING EGGS AND MATHLETICS

The Reading Eggs and Mathletics online support programmes are now being considered by the school. We have been given a great offer to subscribe to both for \$40 which will cover a student until February, 2019. This is a significant saving and I would like parents/carers to give this careful consideration. Please look at the links below to find out more information. Every family will receive a subscription form next week to complete. These online programmes are a wonderful way to supplement the learning taking place in the classroom and are highly recommended.

OUTREACH CHARITY WORK ACROSS RAMADAN

Sr Mariam and the SRC are working towards collecting new warm items to be wrapped and given to the many homeless in the Canberra community. The OUTREACH TEAM are looking at families donating new beanies, jumpers, blankets, gloves and scarves which can then be wrapped and given to those in need during EID (15-18th JUNE). Over the next few weeks you will be provided with additional information about this. I thank all in our community for considering taking part in this initiative.

CARPARK

As many of you would have noticed, our car park is getting very busy in the afternoon and we need to determine the best way of reducing this congestion. We are unable at this stage to make use of the road past the administration block which is now locked as it is used as a playground for our students and if used by cars, poses a risk. I will be meeting with the staff and Board to determine what we can do to provide a better flow of traffic through this space. I ask for your patience as we consider all options.

Blessings to you all for a relaxing weekend
