'In Knowledge Lies Strength'

Dear Parent/Carer

Say: "Perhaps that for which you are impatient is close behind you."

Al Naml: v.72

I wish to make comment about our IFTAR that took place last Saturday 2nd June, 2018. Together with the PFA and IPDC, the school hosted an IFTAR that saw over 600 members of the Canberra Islamic community come together. It was a very busy gathering and the way the PFA and other members of our community worked together to provide food for this large number was outstanding. There were a number of speeches across the evening and lots of opportunity to talk about our school and the many initiatives planned. There was a real sense of community and it was pleasing to be a part of this. I thank you all for your attendance and the excellent organisation involved. It is hoped that next year will be even bigger!

This week we saw a number of excursion and our kids were most excited. We had our Year 5 students travel to the South Coast to Mogo and our Year 4 students walked through the Islamic Civilisations exhibition at the National Museum. We had Imam Konda explaining to our students many of the exhibits on show which was an added bonus.

READING EGGS AND MATHLETICS

This is a final reminder that we need the signed permission sheets back for your child/ren to be involved in these online literacy and numeracy programmes. Please send these in ASAP or make contact with your class teacher. This will be up and running at the beginning of next term.

COMMUNITY HEALTH MORNING TEA

On Wednesday 20th June, 2018 we will be host a COMMUNITY HEALTH CENTRE morning tea from 9.30am in E BLOCK. This will involve a presentation from Community Health. This presentation will involve talking about developing skills associated with behaviour at home and managing the many challenges associated with being a Parent/Carer. This will also involve a Q & A session and an opportunity to talk with the Principal. It is hoped that parents/carers may wish to contribute to a morning tea that can be enjoyed on the day. Please make contact with the front office if further information is required.

RAMADAN

Please be aware that Ramadan is due to end on Thursday 14th June, 2018. This will be followed by our EID break. There will be **no school on Friday 15th June and Monday 18th June**. Classes will resume on Tuesday and at this time we will be going back to the normal school programme 8.45-3.25pm. - EID Mubarak!

COMMUNITY EID OUTREACH

A reminder that the SRC are coordinating a 'gift' drive for individuals and/or families that may be in need of goods across this winter period. To reflect on those less fortunate across the Ramadan period is a valuable thing for us all to do. The SRC and Ms Mariam are inviting us to contribute to this worthwhile activity. We are requesting new items as these will be wrapped and given to a charity organisation to distribute. Please read the information attached in this newsletter.

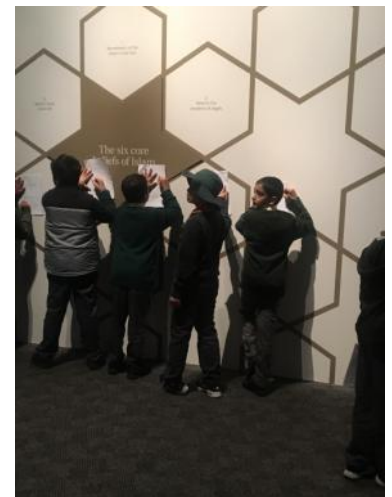

SCHOOL FEES

Many thanks to all families who have responded to our request for the payment of school fees for Term 2, 2018. I am aware that many families have already paid this and appreciate the contact made by those families who needed assistance or extra time to sort this out. I place tremendous value in families contacting the school when there are problems associated with school fees or for other matters as they arise.

I trust that you will enjoy this long weekend with family and friends- InShallah!

Kind Regards

David Johns- Principal
