'In Knowledge Lies Strength'

Dear Parent/Carer
Salaam Alikum

"O our Lord! Truly You do know what we conceal and what we reveal: for nothing whatever is hidden from God, whether on earth or in heaven"

(Ibrahim : v. 38)

I hope that we all enjoyed the EID break with family and friends and are refreshed for the remaining weeks of term.

I thank all in our community for the many EID BLESSINGS directed to our school staff across the last week. I cannot thank my staff enough for the ongoing work they are doing for the students under our care. There are great things taking place in our classrooms and the learning is enjoyable and stimulating.

SCHOOL FEES

We have collected a large portion of our school fees for Term 2, 2018 and I thank families for doing this. Those who have yet to pay out their term fees need to do so as soon as possible or make contact with the school so arrangements can be made to support a delayed payment.

READING EGGS AND MATHLETICS

I thank families for returning their permission notes for these online learning resources. All families who have elected to be part of this programme will have \$40 placed on their Term 3 school fees. Families who attend the information sessions regarding both programmes will be credited \$10.00 onto their school account. I am sure you will all see the value in the use of both programmes over the next few months.

COMMUNITY MORNING TEA

I was so excited about the number of parents who attended our community morning tea on Wednesday. We had over 20 parents/carers attend and they were provided with an informative session on family services available in Canberra and suggestions around managing challenging behaviours at home. It was great to see so many parents/carers talk about their own challenges and the strategies used to overcome these. We will be having another COMMUNITY MORNING TEA early next term and I hope that we have even more attend the event. The food that was brought in was particularly amazing!

REPORTS

A reminder that reports will be released to families on Friday afternoon, 29th June, 2018. These will be placed in envelopes and sent home with the students. I hope that you find them informative and constructive. There has been tremendous work done constructing these reports.

We, The Islamic School of Canberra acknowledges the traditional custodians of the ACT and surrounding region. We respect their continuing culture and the contribution they make to the life of this city and this region.

HOLIDAYS

Please be aware that our holidays commence on Friday 29th June, 2018 at 3.25pm. We will then commence a three week break. Classes will resume on TUESDAY 24th July, 2018 at 8.45am.

The school will be open across the holiday period and administration staff will be available for any assistance or information as required. The school will be operating on reduced hours and I ask that you consult the website or make contact with the school if more information is needed.

1ST AID TRAINING (ST JOHN'S AMBULANCE)

Another first for our school is the involvement of St John's FIRST AID training!

Next week our whole school will be receiving introductory first aid training. This means that students from Kindergarten to Year 7 will be involved in some workshops that introduce basic skills around first aid. This is an important and necessary skill and I hope our students and staff get a lot out of this. I thank St John's Ambulance for this excellent community service.

EXCURSIONS

Our last week of term will include several excursions:

MONDAY	KINDERGARTEN	ARBORETUM
TUESDAY	YEAR 6 BOYS	LYNEHAM HOCKEY CENTRE
WEDNESDAY	YEAR 5	CANBERRA THEATRE
THURSDAY	YEAR 6	GEOSCIENCE

I hope these are well enjoyed and I thank the staff for the time they have spent organising these experiences

Blessings for a restful weekend

Kind Regards

David Johns- Principal
