'In Knowledge Lies Strength'

Dear Parent/Carer *Salaam Alikum*

"And swell not your cheek (for pride) at men, nor work in insolence through the earth; for God loves not any arrogant boaster"

(Luqman: v.18)

It has again been a very busy week for our school and I thank all families for the support you have provided our staff and students across this term.

KARATE

We had a great turn out last week and on Wednesday we had a large number of girls show up. This Friday we are expecting a high number of boys to attend which is great. A number of families have communicated to me asking if we could run a boys and girls program on the same day to assist with supervision and transportation. **As of next week we will have the boys and girls train on FRIDAY in different rooms.** In doing this families will not be troubled in dealing with supervising others children when Karate takes place.

NEW UNIFORM

Families will notice that we have placed a potential NEW UNIFORM display in the front office foyer area. This is an opportunity to look at what the new uniform may look like and what it will cost. Community consultation is open for comment and I encourage families to express their thoughts through the front office or send an email. The uniform is well made and of very high quality. Please take the time to consider the design and the cost. The views and opinions of those in our community is very important. **The community consultation period will conclude on the 20th August, 2018.**

SWIMMING

The Learn to Swim program is scheduled for WEEK 6 (27th-31st AUGUST). It will only involve (K-3) students and will take place during school time. The cost for families will be \$80 per student and this money will go directly to Royal Life Saving Australia. This charge will include 5 (1 Hour lessons) and transport to and from the pool. This is a considerable saving and all students will receive a certificate demonstrating their achievements. I will provide a link for families to sign up to the program next week. While I understand that this cost may be prohibitive for some families I would encourage to try to afford this. A great life skill and the price has been significantly reduced.

ARRIVAL AND DEPARTURES

Thank you to all families for the efforts around arriving to school on time and collecting students from 3.25pm. This has created a more settled learning environment for classes.

We will know by Sunday 12th August, 2018 the exact days for EID break. Once we know this I will communicate to families via SMS. I am aware that many families will need to sort out care for their children across this period. This information will be provided as soon as possible
