'In Knowledge Lies Strength'

Dear Parent/Carer *Salaam Alikum*

"And those who strive in Our (Cause), - We will certainly guide them to our Paths: for verily God is with those who do right"

Al Ankabut: v. 69

EID BREAK

Wishing all in our community EID-ul-ADHA MUBARAK and I hope you all have an enjoyable break across next week. A reminder that the school will acknowledge EID BREAK with the school closing from Tuesday 21st August-Thursday 23rd. We will have school as normal on Monday and Friday.

This is an important EID and the length of break was discussed with school administration and a number of Imam's both in Canberra and interstate. I hope this break time is respectfully acknowledged and is seen as a blessing for all in our community.

NEW UNIFORM

Families have noticed that we have placed a potential NEW UNIFORM display in the front office foyer area. This is an opportunity to look at what the new uniform may look like and what it will cost. Community consultation is open for comment and I encourage families to express their thoughts through the front office or send an email. The uniform is well made and of very high quality. Please take the time to consider the design and the cost. The views and opinions of those in our community is very important. The community consultation period will conclude on the 20th August, 2018.

SWIMMING

The Learn to Swim program is scheduled for WEEK 6 (27th-31st AUGUST). It will only involve (K-3) students and will take place during school time. The cost for families will be \$80 per student and this money will go directly to Royal Life Saving Australia. This charge will include 5 (1 Hour lessons) and transport to and from the pool. This is a considerable saving and all students will receive a certificate demonstrating their achievements. A link has been provided for families to sign up to the program next week. While I understand that this cost may be prohibitive for some families I would encourage to try to afford this. A great life skill and the price has been significantly reduced.

MIGRANT AND REFUGEE SUPPORT SERVICE (MARSS)

This is a program for men around the importance of positive family relationships. This will take place on Saturday 18th August (10.00am-2.30pm)- Function Room CIVIC OFFICE. This is an excellent opportunity for men in our community to talk about the many joys and challenges that exist in being a parent in Australia. I have also attached a flyer regarding this information.
