'In Knowledge Lies Strength'

Dear Parent/Carer Salam Alikum

"And those who strive in Our (Cause),- We will certainly guide them to our Paths: for verily God is with those who do right"

Al Ankabut: v. 69

And just like that, Week 2 is over. The students have now settled down and are used to their new teachers, routines and expectations. We welcome our support staff Ms Karen England and Ms Chris Sloan who will be working closely with students regarding ESL and Inclusion Support. These teachers have an amazing skill set that is highly appreciated by the community at ISC. They have spent the last week assessing and building relationships with their students and will be starting their intensive lessons next week. Karen England will also be training staff on a weekly basis in a phonics program to support our teachers to deliver it in the classroom.

UNIFORM

It has been a bit cooler this week in the mornings and there has been a lot of non-uniform jumpers worn. Please ensure your child is wearing the sports jacket until the school jumpers arrive. A reminder that as a private school, families need to adhere to the school's policies in this regard. Uniforms from any other shops are not accepted. If families are having any problems adhering to our uniform policy, I would ask that they contact the front office, so arrangement can be made to support these concerns.

SCHOOL FEES

A reminder to all in our community that all Term 1 school fees should be paid. If you have not paid, or are having issues paying, please contact the front office immediately.

EXTRA CURRICULA

Extra Curricula activity notes went out this week. The activities will start next week and there is a range of activities for all Year levels. I would like to thank;

1. Sr. Linda Berjaoui and Ms Nazia Shirin for running the Senior Girls Boot Camp session.
2. Ms Sameeha Khanam for running the junior Drawing/Colouring club
3. Br. Imad for running the Arabic Story club
4. Sr. Awataf for running Senior Girls Soccer Skills
5. Br. Haris for running Senior Boys Soccer Skills
6. And I will be running the Rostrum Public Speaking Competition

Again thank you to these teachers and community members for running these programmes and extending our student's skills and interests outside the classroom.
