'In Knowledge Lies Strength'

Dear Parent/Carer Salam Alikum

"And ever is Allah forgiving and merciful"

— Surah al-Fath 48:14

This week was an emotional week for our community. I would like to thank Imam Adam Konda and the Arabic staff for supporting our students through this week. I would also like to thank the Canberra community, Politicians, the AIS and the local Christian/Catholic schools for their solidarity and support; in particular St John Paul II College and Daramalan College. We have been blessed with cards, flowers, plants and artwork. Our whole school and the Islamic Community are forever grateful.

ACT Netball

ACT Netball are holding a Harmony Day **THIS** Sunday 24th March. **ALL** of ISC students and families are invited. We will have a mini food stall there and Year One students will be performing. Students will have the opportunity to be involved in being taught netball skills throughout the day and will receive a free netball as well. We encourage all our families to come along and join and celebrate multiculturalism in sport.

HARMONY WEEK

Harmony Week was celebrated over the week and students were engaged in a range of activities inside and outside the classroom. Classes celebrated their own culture in the classroom by dressing in their cultural dress and sharing some traditional food. It was lovely to walk around and observe the amazing work that some classes have created in relation to Harmony Day. Please enjoy the photos below.

INTERIM REPORTS AND PARENT/TEACHER INTERVIEWS

Students will receive their Interim Report on Friday 29th March (Week 8). Interim reports are intended to provide an indication of student progress in the first term of the school year. On the report it will be highlighted if an interview is 'requested' or 'welcomed'. Parent teacher interviews will be held in Week 9 and further information will follow in regards to booking those in.

ST JOHN PAUL II SCHOOL VISIT

Our beloved Mr. David Johns was in contact with us over the last week to arrange a meeting with our school and St John Paul II Catholic College. They wanted to express their support and solidarity towards our school. We welcomed Mrs Catherine Rey (Principal), Mr. David Johns, Miss Chloe McGovern (School Captain) and Mr Finn Salisbury (School Captain). We were humbled by the words of their leaders and of course by Imam Konda. They gifted us with two beautiful trees representing that we 'grow together' in the future. Our leadership team should also be congratulated on their speech and interactions at the morning tea. Our school was beautifully represented by them.
